

Impact of sports funding 2016/17

Amount received: £8840.00

- Staff confidence and competence has continued to increase through CPD opportunities and lessons are of a high quality.
- Sports apprentice has offered after school clubs which has benefitted the children as they have shown increased engagement. 7 Key Stage 1 children and 12 Key Stage 2 children attended the Children's University Graduation.
- Sports apprentice has again been valuable at lunch times where they have led sporting activities for the children. (Sports Apprentice costs £5000.00)
- To sustain involvement in competitive fixtures and tournaments in order to improve success rates. Our football team won the league.
- The specialist teaching through LEAP has enhanced the children's dance and gymnastic skills. (Cost: £4500)
- The swimming lessons have been very positive at Total Fitness. The children really enjoy going. In the summer term it was increased to 2 hours swimming instead of using the dance studio.
- Achieved the Bronze Schools Games Award.
