

Thomas Gray Primary School
Draft Single Equalities Policy
(January 2019)

Mission Statement

We, at Thomas Gray, strive for excellence and enjoyment in education by providing a safe, secure, caring family environment, where all are valued and respected as individuals. We will endeavour to enable our pupils to reach their full potential, and *'Bring out the best in Bootle!'*

The policy outlines the commitment of the staff, pupils and governors of Thomas Gray Primary School to ensure that equality of opportunity is available to all members of the School community. For our School this means not simply treating everybody the same but understanding and tackling the different barriers which could lead to unequal outcomes for different groups of pupils in School, whilst celebrating and valuing the achievements and strengths of all members of the school community. These include:

- Pupils
- Staff
- Parents/carers
- The Governing Body
- Multi-agency staff linked to School
- Visitors to school
- Students on placement
- Volunteers

We believe that equality at our School should permeate all aspects of school life and is the responsibility of every member of the School and wider community. Every member of the School community should feel safe, secure, valued and of equal worth.

At Thomas Gray Primary School, equality is a key principle for treating all people fairly and creating a society in which everyone has the opportunity to fulfil their

potential - irrespective of their gender, race, disability, religion or belief, sexual orientation, age or any other recognised area of discrimination.

Ethos and atmosphere

- At Thomas Gray Primary School, the leadership of the School community will demonstrate mutual respect between all members of the school community.

- All pupils are encouraged to greet visitors to School with friendliness and respect.
- The displays around School are of a high quality and reflect diversity across all aspects of equality of opportunity and are monitored frequently.
- Provision is made to cater for the spiritual needs of all the children through the planning of daily worship, classroom based and externally based activities.

Policy Development

This policy applies to the whole School community. It has been drawn up as a result of the outcomes of a transparent process and through consultation with parents/carers, staff and Governors.

Monitoring and review

Thomas Gray Primary is an inclusive school, working towards greater equality in the whole School community. We use the curriculum and teaching to enhance the self-esteem of all those the School serves and to provide a learning environment in which each individual is encouraged to fulfil her or his potential.

We make regular assessments of pupils' learning and use this information to track pupils' progress, as they move through School. As part of this process, we regularly monitor the performance of different groups, to ensure that all groups of pupils are making the best possible progress. We use this information to adapt future teaching and learning plans, as necessary.

Resources are available to support groups of pupils where the data suggests that progress is not as good as it should be. The Governing Body receives regular updates on pupil attainment.

School performance data is compared to national data and local authority data, to ensure that all pupils are making appropriate progress when compared to all schools, and to schools in similar circumstances.

As well as monitoring pupil performance in, we also regularly monitor a range of other information.

This relates to:

- Attendance – absence, both authorised and unauthorised – School target of more than 95% attendance
- Exclusions and truancy
- Racism, disability, sexism, homophobia and all forms of bullying
- Participation in extended learning opportunities
- Parental involvement

Our monitoring enables us to identify any differences in pupil performance and provide specific support as required, including pastoral support. This allows us to take appropriate action to meet the needs of specific groups in order to make necessary improvements.

Thomas Gray is also committed to providing a working environment free from discrimination, bullying, harassment and victimisation. We aim to recruit an appropriately qualified workforce and establish a Governing Body that is representative of all sections of the community in order to respect and respond to the diverse needs of our school population.

Due regard is given to the promotion of equality in the Improvement Plan. The person responsible for the monitoring and evaluation of this policy and action plan is the Headteacher.

Their role is to:

- Lead and support discussions, organise training, update staff in staff meetings.
- Work with the Governing Body on matters relating to equality.
- Support evaluation activities that moderate the impact and success of this policy.
