

Literacy

Adventure stories

- We will be reading Paddington Bear by Michael Bond
- We will be identifying and using prepositions e.g. above, behinds, near to
- We will be learning how to use inverted commas in our writing (speech marks)

Biographies

- We will be reading a range of biographies
- We will be focusing on using subordinate clauses to make complex sentences

Year 3 Autumn 1 'Liverpool'

Maths

Number and Place Value

- We will be exploring the number 100
- We will be identifying hundreds, tens and ones in 3 digit numbers
- We will be ordering and comparing 3 digit numbers and placing them on a number line

Addition and Subtraction

- We will be developing our use of written methods to add and subtract e.g. column addition/subtraction
- We will be adding and subtracting 3 digit numbers

Geography

In Geography we will be exploring at our city, Liverpool
We will be..

- exploring where Liverpool is in the world
- studying a range of maps (aerial, historical, ordnance survey and tourist maps)
- locating and researching Liverpool's landmarks
- Plotting routes and using 8 point compass directions

Science

Shadows and Reflection

We will be learning about how

- We need light in order to see things
- Light reflects from surfaces
- Shadows are formed
- Light from the sun can be dangerous and how to protect our eyes

Homework

Your homework for this half term is to locate physically or using the internet the site of the Superlambananas.

It would be great if you can take a photo beside any you find. If not then show where they are on the map provided.

We can't wait to see them!

History

In History we will also be exploring Liverpool in the past
We will be..

- Comparing historical and modern maps to think about how Liverpool has changed
- Learning about how culture and music in Liverpool by looking at historical artefacts
- Using questioning skills to learn about life in Liverpool in the past.
