

## Impact of sports funding 2015/16

- Staff confidence and competence has increased through CPD opportunities and lessons are of a high quality.
- New scheme of work has been embedded.
- Sport apprentices have been valuable at lunch times where they have led sporting activities for the children.
- Thomas Gray have continued to participate in many competitive fixtures and tournaments and improved success rates. Our Year 5 football team won the Faye Cup and our school football team came 2<sup>nd</sup> in the league.
- LEAP has enhanced the children's dance and gymnastic skills. The specialist teaching has ensured high quality lessons.
- Sports coaches and apprentices have assisted with curriculum delivery and after school clubs. This has increased the number of clubs that are offered. The children have benefitted from their expert knowledge and engage well in lessons.
- PE equipment was audited and equipment bought where needed. This has enhanced PE and Sport delivery.
- Children's attitudes toward PE and Sport are very positive.
