

## Main aims and objectives for 2016/17

Amount received:- £8840.00

- To continue to provide CPD opportunities for staff.
- To sustain the number of after school clubs offered through the use of sports apprentices.
- To sustain the use of apprentices to support physical and sporting activities during lunchtimes. (1 sports apprentice costs £5000.)
- To sustain involvement in competitive fixtures and tournaments in order to improve success rates.
- To provide external specialists to teach Dance and Gymnastics - £4500.
- When the children have swimming lessons they will also have 1 hour before this in a dance studio where the sports apprentices will teach dance.
