1. Introduction

Shared Parental Leave is a new legal entitlement for eligible parents of babies due, or children placed for adoption, on or after 5th April 2015. Shared Parental Leave replaces the current entitlement to Additional Parental Leave however does not change entitlements to maternity/adoption leave/pay or maternity allowance.

Shared Parental Leave enables eligible parents to choose how to share the care of their child during the first year of birth or adoption. Its purpose is to give parents more flexibility in considering how to best care for, and bond with, their child. All eligible employees have a statutory right to take Shared Parental Leave. There may also be an entitlement to some Shared Parental Pay. This policy sets out the statutory rights and responsibilities of employees who wish to take statutory Shared Parental Leave (SPL) and statutory Shared Parental Pay (ShPP).

2. Eligibility

SPL can only be used by two people:

- The mother/adopter **and**
- One of the following:
 - o the father of the child (in the case of birth) *or*
 - o the spouse, civil partner or partner of the child's mother/ adopter.

Both parents must share the main responsibility for the care of the child at the time of the birth/placement for adoption.

Additionally an employee seeking to take SPL must satisfy each of the following criteria:

- the mother/adopter of the child must be eligible to take statutory maternity/adoption leave or be entitled to statutory maternity/adoption pay or maternity allowance and must have ended or given notice to reduce any maternity/adoption entitlements;
- the employee must pass the 'continuity test' requiring them to have a minimum of 26 weeks' service at the end of the 15th week before the child's expected due date/matching date;
- the employee's partner must meet the 'employment and earnings test' requiring them in the 66 weeks leading up to the child's expected due date/matching date have worked for at least 26 weeks and earned an average of at least £30 a week in any 13 of those weeks;
- the employee must correctly notify the organisation of their entitlement and provide evidence as required.

It is an employee's responsibility to check that they are eligible for SPL and ShPP. A calculator for employees is available on the [.gov](#) website. Please visit this website and enter your information to check your eligibility.

3. Entitlement

Eligible employees may be entitled to take up to 50 weeks SPL during the child's first year in their family.

The number of weeks available is calculated using the mother's/adopter's entitlement to maternity/adoption leave, which allows them to take up to 52 weeks' leave.

In the case of maternity leave the first two weeks are compulsory so cannot be taken as SPL.

If the employee curtails/give notice to curtail their maternity/adoption leave entitlement then the employee and/or their partner may opt-in to the SPL system and take any remaining weeks as SPL.

The leave can be split in a "continuous way". This would mean that one partner would take a period of leave, and then the other partner would take the remainder of the leave. Alternatively, the leave can be "discontinuous". This would mean that one partner takes some leave, then the other, and then the first partner more leave etc. It could also mean that the two partners take leave at the same time.

The leave taken by the two partners when added together must not total more than 52 weeks. Leave must be taken in minimum units of one week.

Where a mother/adopter gives notice to curtail their maternity/adoption entitlement then the mother/adopter's partner can take leave while the mother/adopter is still using their maternity/adoption entitlements.

If the mother is not entitled to maternity leave but is entitled to Maternity Allowance (MA), they can reduce their entitlement to less than the 39 weeks. If they do this, their partner may be entitled to up to 50 weeks of SPL. This is calculated by deducting from 52 the number of weeks of MA taken by the mother. The mother will not be entitled to SPL. Further information on entitlements can be found at www.gov.uk/pay-leave-for-parents.

4. Statutory Shared Parental Pay (ShPP)

Eligible employees may be entitled to take up to 37 weeks ShPP while taking SPL. The amount of weeks available will depend on the amount by which the mother/adopter reduces their maternity/adoption pay period or maternity allowance period.

ShPP may be payable during some or all of SPL, depending on the length and timing of the leave.

To be eligible for ShPP the employee must pass the continuity test and have earned an average of the lower earnings limit or more for the eight weeks prior to the 15th week before the child's expected due date/matching date.

The employee must sign/have signed the declaration on the SPL Pay & Opt-In Form (Annex 1) to be eligible to receive ShPP.

Please note that a mother/adopter who takes the decision to curtail their maternity/adoption leave to take SPL will no longer be entitled to Occupational Maternity/Adoption Pay, if still applicable, and will receive ShPP.

5. Notifying the School of an entitlement to Shared Parental Leave

An employee intending to take SPL must give their Headteacher/Senior Leader/*Chair of Governors (*in the cases of the Headteacher) notification of their entitlement and intention to take to SPL, at least eight weeks before they can take any period of SPL.

As part of the eligibility criteria the employee is required to provide the School with the correct notification and a declaration of eligibility. Notification must be in writing on the SPL Pay & Opt-In Form (Annex 1).

The employee must also provide the School with a signed declaration from their partner specifying information regarding their employer and intentions. The SPL Partner Declaration can be found at Annex 1, Section F.

The School may request further evidence within 14 days of the SPL entitlement notification being given. For example copies of the birth certificate or the name and address of the other parent's employer. Please contact The Schools Personnel Team for further information.

6. Booking Shared Parental Leave

In addition to notifying the School of their entitlement to SPL/ShPP, an employee must also give written notice at least eight weeks before the date on which they wish to start the leave. In many cases, notice to take leave will be given at the same time as the notice of entitlement to SPL. Notice to take periods of SPL, which haven't been specified on the initial SPL Pay & Opt-In Form, must be submitted on the SPL Notification Form (Annex 2).

The employee has the right to submit **three notifications** specifying leave periods they are intending to take. Each notification may contain either (a) a single period of weeks of leave; or (b) two or more weeks of discontinuous leave, where the employee intends to return to work between periods of leave. Each notification must provide at least 8 weeks notice of the intending date of the period of SPL.

SPL can only be taken in complete weeks but may begin on any day of the week. For example if a week of SPL began on a Tuesday it would finish on a

Monday. Where an employee returns to work between periods of SPL, the next period of SPL can start on any day of the week.

6.1 Continuous leave notifications

A notification can be for a period of **continuous leave**, which means a notification of a number of weeks taken in a single unbroken period of leave (for example, six weeks in a row).

An employee has the right to take a continuous block of leave notified in a single notification, so long as it does not exceed the total number of weeks of SPL available to them (specified in the notice of entitlement) and the employer has been given at least eight weeks' notice.

An employee may submit up to three separate notifications for continuous periods of leave. Each notification must provide at least 8 weeks notice of the intending date of the period of SPL.

6.2 Discontinuous leave notifications

A single notification may also contain a request for two or more periods of **discontinuous leave**, which means asking for a set number of weeks of leave over a period of time, with breaks between the leave where the employee returns to work (for example, an arrangement where an employee will take six weeks of SPL in three week blocks over a nine week period, i.e. returning to work for the middle three weeks).

7. Responding to a Shared Parental Leave Notification

Once the Headteacher/Senior Leader/*Chair of Governors (*in the cases of the Headteacher) receives the leave booking notice, it will be dealt with as soon as possible, but a response will be provided no later than the 14th day after the leave request/notification was made. Receipt of all notices for continuous leave will be confirmed in writing.

All requests for discontinuous leave will be carefully considered, weighing up the potential benefits to the employee and any adverse affect on the school. The Headteacher/Senior Leader/*Chair of Governors (*in the cases of the Headteacher) will consider a discontinuous leave notification but has the right to refuse it.

Where there is concern over accommodating the notification, the Headteacher/Senior Leader/*Chair of Governors (*in the cases of the Headteacher) will arrange a meeting to discuss the notification with a view to agreeing an arrangement that meets both the needs of the employee and the School. A member of the Schools Personnel Team will attend the meeting if required and the employee has the right to be accompanied by a Trade Union/Teacher Association representative or a work colleague.

The employee will be informed in writing of the decision as soon as is reasonably practicable, but no later than the 14th day after the leave notification was made.

If a discontinuous leave pattern is refused then the employee may withdraw the request without detriment on or before the 15th day after the notification was given; or may take the total number of weeks in the notice in a single continuous block. If the employee chooses to take the leave in a single continuous block, the employee has until the 19th day from the date the original notification was given to choose when they want the leave period to begin. The leave cannot start sooner than eight weeks from the date the original notification was submitted. If the employee does not choose a start date then the leave will begin on the first leave date requested in the original notification.

8. Variations to arranged Shared Parental Leave

The employee is permitted to vary or cancel an agreed and booked period of SPL, provided that they notify their Headteacher/Senior Leader/*Chair of Governors (*in the cases of the Headteacher) in writing at least eight weeks before the date of any variation. Any new start date cannot be sooner than eight weeks from the date of the variation request.

Any variation or cancellation notification made by the employee, including notice to return to work early, will usually count as a new notification reducing the employee's right to book/vary leave by one. Any variation will be confirmed in writing by the School. Variations should be submitted on the SPL Notification Form (Annex 2).

9. Terms and Conditions

During the period of SPL, the employee's contract of employment continues in force and they are entitled to receive all their contractual benefits, except for salary. Annual leave will be accrued and the employee must plan to take annual leave before SPL to avoid carry over of leave from one year to the next.

9.1 Pension Schemes

9.1:1 Merseyside Pension Fund

Pension benefits will not be built up for any period of unpaid SPL that the employee takes. However there is the option to choose to cover the period of pension "lost" by taking out a Shared Cost Additional Pension Contribution (SCAPC) contract.

The lost amount will be calculated as 1/49th of the assumed pensionable pay (APP) for the period of the unpaid leave if the member was in the main section during the period or 1/98th of APP for the period if they were in the 50/50 section of the Scheme based on the last period of pensionable pay received before going on to nil pay. This is normally ShPP.

Where an SCAPC contract is taken out to cover the pension "lost" during the period of unpaid additional paternity leave the cost is shared 1/3rd to the employee and 2/3rds to the employer, provided that you make an election within 30 days of returning to work. If an election is made after the 30 day period the whole cost will fall to the employee.

If an employee has an AVC contract for additional life assurance it is important that deductions are continued to ensure that cover does not lapse. Merseyside Pension Fund can be contacted on 0151 2421390 for advice.

9.1:2 Teachers Pensions.

Please contact the Teachers Pensions for details at www.teacherspensions.co.uk or on 0845 6066166

10. Contact during Shared Parental Leave

Before an employee's SPL begins, the Headteacher/Senior Leader/*Chair of Governors (*in the cases of the Headteacher) will discuss the arrangements for them to keep in touch during their leave. The School reserves the right in any event to maintain reasonable contact with the employee from time to time during their SPL.

11. Shared Parental Leave in Touch Days (SPLIT days)

An employee can agree to work for the School (or attend training) for up to 20 days during SPL without bringing their period of SPL to an end or impacting on their right to claim ShPP for that week. These are known as "Shared Parental Leave In Touch" or "SPLIT" days. Any work carried out on a day or part of a day shall constitute a day's work for these purposes.

The School has no right to require the employee to carry out any work, and is under no obligation to offer the employee any work, during the employee's SPL. Any work undertaken is a matter for agreement between the School and the employee.

SPLIT days will be paid at an employee's normal rate of pay for the hours worked on those days. If an employee is in receipt of ShPP, the SPLIT days will be offset against this if total pay exceeds the employee's normal rate of pay for the hours/days worked. Pension contributions will be paid equivalent to a full calendar day based on the employee's contract hours and allowances regardless of the number of hours worked. School will also pay contributions based on a full calendar day.

Any SPLIT days worked do not extend the period of SPL.

12. Return to Work

The employee will have been formally advised in writing of the end date of any period of SPL. The employee is expected to return on the next working day after this date, unless they notify their Headteacher/Senior Leader/*Chair of Governors (*in the cases of the Headteacher) otherwise. If they are unable to attend work due to sickness or injury, the School's normal arrangements for sickness absence will

apply. In any other case, late return without prior authorisation will be treated as unauthorised absence.

If the employee wishes to return to work earlier than the expected return date, they may provide a written notice to vary the leave and must give the organisation at least eight weeks notice of their date of early return on the SPL Notification Form. This will count as one of the employee's notifications. If they have already used their three notifications to book and/or vary leave then the School does not have to accept the notice to return early but may do if it is considered to be reasonably practicable to do so.

13. Fraudulent Claims

The School will, where there is a suspicion that fraudulent information may have been provided or where the School has been informed by the HMRC that a fraudulent claim was made, investigate the matter further in accordance with the disciplinary procedures. Intentional falsification of information to obtain SPL or ShPP will be deemed as gross misconduct.
