

# Year 2 Autumn Second Half Term Curriculum Overview

## English

### Traditional Tales with a twist

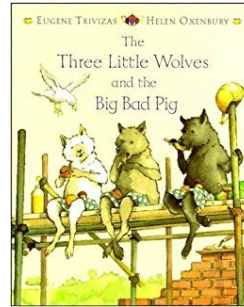

(Eugene Trivizas 'The Three Little Wolves and the Big Bad Pig')

The children will write a story/part of a story based on the above traditional tale with a twist.

The children will continue to work on writing sentences in sequence using capital letters, full stops, question marks and exclamation marks. They will also work on extending sentences using and, but, so and or.

### Instructions

The children will read and write instructions on different ways of keeping healthy

## Maths Addition and Subtraction

The children will use their knowledge of place value (tens and ones) to add and subtract numbers to 20 and then numbers up to 100.

## Art and Design

The children will be drawing, painting and making clay models of people. We will explore and create artwork in the style of Keith Haring.

# Fighting Fit

## Science

### Animal survival and growth

The children will look at how animals including humans grow and stay healthy .

## Music

We will learn songs to perform during our Christmas production.

**RE** The children will learn The Christmas Story

**Computing** Using the program 2paintapicture the children will learn to create digital paintings of their own and in the style of an artist.

## Curriculum Homework

To make a model/ representation of a balanced healthy meal/healthy packed lunch

Please bring into school by the end of half term. Children who complete the homework will receive treasure.
