

### Literacy

- Persuasive letters (The Day The Crayons Quit)
- Develop our use of conjunctions for coordination and subordination to make compound and complex sentences
- Our class novel will be Charlie Changes Into A Chicken

### Maths

#### Addition and Subtraction

- Column method
- Regrouping 10s and 100s
- A range of mental strategies

#### Multiplication and Division

- We will be learning our 3, 4 and 8 times table
- We will be dividing by 3, 4 and 8
- Multiplying and dividing one digit with two digit numbers

### Year 3 Spring

### The Romans

### Home Learning

### Science

#### Animals including humans

- Identify that animals, including humans, need the right type of nutrition, and that they cannot make their own food; they can get nutrition from what they eat
- Identify that humans and some other animals have skeletons and muscles for support, protection and movement

### Geography

Children will start to investigate the Lake District. Children will look at its human and physical features and develop their map skills.

### Homework

Your homework for this half term is to create a model of a Roman Shield.

This can be done however you choose.

We will show them on Zoom at the end of the half term.

### History

In History we will be learning about the Romans. We will look at how the Celts lived in Britain before the Roman Invasion. We will be studying Boudicca and her rebellion. We will look at Roman life in Britain and how the Romans changed Britain.
