

Literacy

- Stories as a theme with Stone Age Boy by Satoshi Kitamura
- Diaries from the perspective of a character
- Poems about the Stone Age

Maths

Multiplication and Division

- We will be learning our 3, 4 and 8 times table
- We will be dividing by 3, 4 and 8
- Multiplying and dividing one digit with two digit numbers

Fractions

- Finding fractions of numbers and shapes
- Adding and subtracting fractions
- Exploring tenths

Year 3 Summer 1 Rock and Roll

Geography

Children will investigate earthquakes and volcanoes including; what they are, why they happen and how they affect the landscape and human activity.

They will start to make links between what is happening around the world (e.g. natural disasters) and what they have learned in school.

Science

Forces and Magnet

- What is a force?
- Pushes and pulls
- Exploring friction
- Exploring magnets and magnetic materials

Homework

Your homework for this half term is to create a model of a volcano.

This can be done however you choose.

Please bring it in before half term.

We can't wait to see them! We will be able to erupt them in school.

History

In History we will be learning about the Stone Age. We will look at how the first men lived in the UK. We will look also at ruins such as Stone Henge.

We will look compare similarities and differences between hunter-gatherers and early farmers and look at the chronology of the Stone Age
