

English

Biographies

- We will be reading a range of biographies
- We will be focusing on using subordinate clauses to make complex sentences

Fables

- We will be reading a selection of Aesop's fables
- We will be able to use determiners a or an following a consonant or vowel.
- We will be able to select and use adverbs.
- We will be able to discuss character traits and record in writing.
- We will be able to develop own plot for a fable.

Maths

Addition and Subtraction

- We will be developing our use of written methods to add and subtract e.g. column addition/subtraction
- We will be adding and subtracting 3 digit numbers

Length and Perimeter

- We will measure, compare, add and subtract: lengths (m/cm/mm)
- We will solve problems, including missing number problems, using number facts and place value
- We will measure the perimeter of simple 2-D shapes

Design and Technology

- We will understand the correct proportions of a balanced meal.
- We will be able to plant and care for a variety of ingredients so they yield produce.
- We will measure ingredients to the nearest millilitre accurately and assemble or cook ingredients.

Year 3 Autumn 2 'Healthy Humans'

Science

Animals including humans

We will:

- Identify that animals, including humans, need the right types and amount of nutrition, and that they cannot make their own food; they get nutrition from what they eat
- Identify that humans and some animals have skeletons and muscles for support, protection and movement.

Homework

Your homework for this half term is to create a menu for a healthy, balanced meal. Include a starter, main and dessert. Remember you must include all the major food groups. Be creative in the design and layout of your menu.

We can't wait to see them!

Art

- We will plan designs.
- We will make a pepper sculpture in clay.
- We will soften clay.
- We will use observational drawings to develop ideas in clay. We will draw details carefully.
- We will talk about what they see in artists' work.
- We will produce a textile 'softie' that shows observations of fruit and vegetables.
