

English

- Stories as a theme with 'Stone Age Boy' by Satoshi Kitamura.
- Focus on using speech and organising writing into paragraphs.
- Instructions based on 'How to Wash a Woolly Mammoth' by Michelle Robinson.

Maths

Length and Perimeter

- Measure, draw and compare lengths
- Add and subtract lengths
- Calculate perimeter

Multiplication and Division

- Multiplication and division facts for 2, 3, 4, 5, 6, 8 and 10
- Multiplicative structures: equal groups/parts, change and comparison, correspondence problems
- Relationships: commutativity and inverse

Year 3 Spring 1 Rock and Roll

Art

We will be experimenting with charcoal, berries, leaves, homemade paints and more, children will get a sense of what it was like to create art thousands of years ago and why these pieces were created.

Science

Rocks and Fossils

- Compare and group together different kinds of rocks on the basis of their appearance and simple physical properties
- Describe in simple terms how fossils are formed when things that have lived are trapped within rock
- Recognise that soils are made from rocks and organic matter.

Homework

Stone Age people built shelters to live in using materials they had gathered. Gather some natural materials and build a model shelter.

After you have built it - evaluate it.
What do you think is really good? Why?
What would you improve?

History

In History we will be learning about the Stone Age. We will look at how the first men lived in the UK. We will look compare similarities and differences between hunter-gatherers and early farmers and look at the chronology of the Stone Age. We will look at how tools and technology changed from the Stone Age to Bronze Age and Iron Age.
