Four Operations

Add and subtract whole numbers, multiply up to a 4 digit by a 1 digit, Division, Factors, Multiples, Prime numbers, Square and cube numbers, order of operations

Homework

Your task this half term is to create your own interpretation of the yellow brick road from the Wizard of Oz.

It can be as creative as you want.

Have fun!

Year 6

Science

Evolution and Inheritance

- Recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago.
- Recognise that living things produce offspring of the same kind, but normally offspring vary and are not identical to their parents.
- Identify how animals and plants are adapted to suit their environment in different ways

Art and Design

Still life

Creating a variety of pieces influenced by different artists and using a range of mediums. Using charcoal, erasers and paint to depict a chosen composition of special objects before constructing a memory box to showcase their work.

History

Development of Vaccines and antibiotics

- Constructs a timeline which shows significant events from period studied.
- Makes comparisons between historical periods, describing and explaining how specific changes came about.
- Describes the impact of change on people's lives, using evidence from historical sources to give examples.
- Gives a historical explanation which shows how change over time has taken place within the period studied.
