

English

We will be reading 'Gulliver's Travels'.

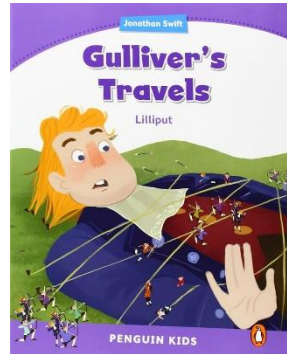

Letter - we will be learning about:

- Using time adverbials to link ideas across paragraphs
- Using apostrophes for contractions

Instructions - we will be learning:

- Writing a bullet point list
- Using subordinating conjunctions

Year 4 Spring 2

Maths

Time

- Analogue and digital time
- Convert between units of time

Decimals

- Decimal equivalents to tenths, quarters and halves
- Compare and order numbers with the same number of decimal places
- Multiply and divide decimals by 10 and 100

Science - States of Matter

- We will be learning about solids, liquids and gases and their properties
- We will investigate melting, freezing and evaporation.
- We will learn about the water cycle.

Jigsaw - Healthy Me

- Discussing different roles in friendship groups
- Looking at our close circle of friends and family
- Discussing how to stay healthy and learning about the impact of alcohol and smoking on the body

Homework

We are asking, if possible, for children to make their own model of the water cycle. This can be a physical model or draw a picture of the water cycle. All homework projects brought in will receive 25 dojos and be put on display in the corridor.

History - The Great Plague

- We will look at the symptoms of the plague
- We will look at the role of the 'Plague Doctors'
- We will look at what life was like in London in 1665
- We will visit Eyam
